OS:Microsoft® Windows® XP / Vista / 7 (32-bit/64-bit)

Processor:Intel® Pentium® 4 2.0 GHz equivalent or faster proces

English,French,German,Italian

rpg maker vx ace - dungeon music pack

Has more use than the Classic Fantasy Music Pack. I highly recommend you acquire this and not the other one. You'll find much more use out of this one.. A large music pack with most falling on the typical side. Only a select few really do much. It still adds some variety to your BGM collection, though I'd save it until you've already got some better sounds.
